This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 892037.

## What is Up-Stairs?

The UP-STAIRS project accelerates the creation of energy communities. It develops flexible and iterative business model frameworks for One-Stop-Shops for local collective action which support local stakeholders in working together.

UP-STAIRS facilitates citizen participation in the energy transition and supports them in becoming prosumers. One-Stop-Shops are set-up in 5 pilot regions in Austria, Bulgaria, Ireland and Spain.
